last two days of their engagement
here being "The Sunshine Girls in
Court," and it promises to be a good
one. This clever little company has
made a big hit here and will long
be remembered by Palace patrons.
Every member of the company is a
professional. The comedy work is en-
tirely different from the tabloids that
have played the Palace, and the sing-
ing part of the show is very good. It
is a splendid little show all around
and well worth seeing.

Winnifred Greenwood, who for the
last several years has been co-star-

ring with Edward Coxen in short
length dramas, filmed at the Ameri-

elevated to stardom and will shortly
be seen in two Mutual Masterpieces,

LIVING PICTURES ODEON FEATURE

Posing Act by the Garrison Sis-
ters is a Beautiful
Offering.

One of the most artistic presenta-
tions in the vaudeville world is being
offered at the Odeon theater. It is the
Garrison Sisters' novelty posing act,
with special scenery and electrical ef-
fects, featuring Miss Mildred Garri-
son, the most perfectly formed girl in
America—so New York physical cul-
turists and leading artists in New
York and Chicago say. She does her
posing with grace and ease, her living
pictures being beautiful. About ten
different classic poses are given. The
act is one of the most beautiful ever
seen here.

There are also two other splendid
acts of vaudeville on the bill for the
last half of this week. Benway and
Dayton have an entirely new act that
is very clever. The other number on
the bill is Gypsy Meredith and Com-
pany in a novelty dancing and acro-
batic act. It is exceptionally good and
pleases everyone.

FRECKLES

Don't Hide Them with a Vell; Re-
move Them with the Othine
Prescription.

This prescription for the removal
of freckles was written by a promi-
nent physician and is usually so suc-
cessful in removing freckles and giv-
ing a clear beautiful complexion that
it is sold by any druggist under
guarantee to refund the money if it
fails.

Don't hide your freckles under a
vell; get an ounce of othine and re-
move them. Even the first few appli-
cations should show a wonderful im-
provement, some of the lighter freck-
les vanishing entirely.

Be sure to ask the druggist for the
double strength othine; it is this that
is sold on the money-back guarantee.
